

## **Would you support this proposed Minnesota Constitutional Amendment?**

Shall the Minnesota Constitution be amended by adding a specific guarantee that equality of rights under the law shall not be denied or abridged by this state or any of its cities, counties, or other political subdivisions on account of race, color, national origin, ancestry, disability, or sex, including pregnancy, gender, and sexual orientation?

~~~~~

***While my personal faith is in opposition to gender ideology, on the face of this language, I likely would support this amendment, however....***

## **Did You Know the Amendment Includes. . .**

- 1. Abortion until birth – regardless of the mother's age.**
- 2. No safeguards for the elderly on legalized assisted suicide.**
- 3. Removes religious freedom in hiring at religious schools and places of worship in light of gender ideology.**
- 4. Eliminates safe spaces (bathrooms/locker rooms) for women and girls in light of gender ideology.**
- 5. Only another constitutional amendment question on a ballot could remove or change any of the above.**

If ANY item above or it's permanency concerns you at all, consider voting for a Republican MN House candidate.

Flipping only FOUR (4) house seats will change the Majority in the House to prevent HF 173 / SF37 passage and the above amendment being on the 2026 ballot.
