

## Have FUN and Do MORE than Vote!

Below are two groups of actions for the last days of this election year:

### **Campaign Actions and Voter Actions**

**After that are Republican candidates primarily in CD2 or State and National levels.**

Try to do as many as you can to have Republican candidates and Conservative ideas WIN!!

**Remember to have RVPF business cards to share with those you meet!**

**Invite others to participate with you!**

# Campaign Actions

## 1) Influence others to take back the MN State House!

*[Click the "MN Influence Handout" button at the top of our site.]*

Share (post, text, email) this 'handout' to anyone who has religious convictions or traditional values which have raised concerns with the direction the state has headed the last few years. Laws can be changed but a constitutional amendment is VERY hard to change.

## 2) Register on TrumpForce47.com

**Then Sign up for a MN weekly Thursday Zoom Captains training event** (or attend our 10/12 club meeting for in-person training!)

Registering enables campaign staff to provide you with a login and password on the campaign app after your training session so you can begin right away to contact voters at their door to survey them and also by phone to help chase votes in MN for TRUMP.

## 3) **Download the Campaign SideKick App!** Android / iOS

This app will allow you to fight for Trump as a Captain talking with voters in your neighborhood at their door and use the phone function to chase ballots to be cast early.

## 4) Volunteer to Fight for Election Integrity!

Sign up to help be a poll watcher or some other function to help secure our ballots as they are cast.

# Voter Actions

## 1) Order YOUR [Absentee Ballot!](#)

TRUMP has asked us to plan to vote early but you may vote and battle potential ballot shortages and/or long lines on Election Day. Please know that campaigns are investing volunteer time and \$\$\$'s to call voters to make sure they cast their absentee ballot so it saves campaign time and dollars if you vote early.

## 2) Review and research [What's on Your Ballot!](#)

Be sure to research non-partisan races like schoolboard, city councils, township boards and judges. See what school referendums are up for votes or other amendments are requested to be approved. Always great to discuss these with other RVAF members!

## 3) Plan WHEN and HOW you will Vote!

**In-Person, early voting** is preferred. Ideally, vote **ten to two days BEFORE Election Day (10/25 - 11/3)**. Early voting locations will have ballots run through the tabulators on these dates. As a precaution, this time frame will not allow for potential nefarious actions to spin-up ballots to cancel your vote.

[Scott County Early Voting](#)

[Dakota County Early Voting](#)

[Rice County Early Voting](#)

[LeSueur County Early Voting](#)

[Carver County Early Voting](#)

**Election Day Voting, Tuesday, 11/5, 7AM-8PM:** [Poll Finder](#)

Remember to **bring your absentee ballot** to the polls to exchange it for an election day ballot.

**The following are the Republican candidates on ballots mostly across the CD2 area.**

The candidate highlighted in the Red box is a member of our RVAF Club! See if you can help her on her campaign or other candidates you might help along with Trump!

Seat	Goal	Endorsed Candidate	Campaign Website	General Area Descriptions
<b>US President</b>	<b>FLIP</b>	Donald J Trump	<a href="#"><u>DonaldJTrump</u></a>	United States
