POST PRIMARY UPDATE:

The following Republican Candidates will be on the General Election Ballot (November Ballot) for US or State level offices and most are within Congressional District 2.

[What's on Your Ballot](#) on the MN SOS site will advise which candidates you can vote for and try to support leading up to elections.

Overwhelmed? **Pick one or two candidates and see how you can use your talents to help them.** If we want to change the outcome of the elections, we need to **Do More Than Vote.** Bring some friends to help with your commitment and make it FUN!

The candidate highlighted in the Red box is a member of our RVAF Club! Try to help her campaign even if she is not on your ballot!
